“HANDS OFF”

by Mountain Ghost

**Woke up to more bad news flashing on my screen
Tyrants at the top tier torching everything
Called in with a question no one answering
Seems they’ve all been let go to strangle the dream**

**At the start middle and the end of the day
From a heartfelt space in a mindful way
To the out of touch and the games they play
I got one thing to say
Hands Off . . . Hands Off . . . Hands Off**

**Woke up to a troubled feeling in the hood
All the angels worried they’re misunderstood
Whereas once they’d gather doing all they could
To help their fellow neighbors now doors closed for good**

(Chorus)

**Hands Off . . . our treasured heritage
Hands Off . . . our sacred land
Hands Off . . . this solid equal ground
On which we stand**

(Chorus)

Hands Off . . . Hands Off . . . Hands Off
